**DRAFT MINUTES
BLOOMINGTON HISTORIC PRESERVATION COMMISSION
REGULAR MEETING,
THURSDAY, AUGUST 17, 2017 5:00 P.M.
COUNCIL CHAMBERS, CITY HALL
109 EAST OLIVE ST.
BLOOMINGTON, ILLINOIS**

MEMBERS PRESENT: Chairperson Sherry Graehling, Ms. Lea Cline, Ms. Ann Bailen, Mr. Levi Sturgeon, Mr. John Elterich,

MEMBERS ABSENT: Mr. Gabe Goldsmith

OTHERS PRESENT: Ms. Katie Simpson, City Planner; Mr. Tom Dabareiner, AICP, Community Development Director; Mr. Jim Karch, Public Works Director; Mr. Michael Hill, Miscellaneous Technician in Public Works Administration

CALL TO ORDER: Chairperson Graehling called the meeting to order at 5:03 P.M.

ROLL CALL: Ms. Simpson called the roll. Five members were present and quorum was established.

PUBLIC COMMENT: None

MINUTES: The Commission reviewed the minutes of the July 20, 2017 meeting. Ms. Bailen's name was corrected on page two of the minutes. Mr. Elterich motioned to approve the minutes as corrected. Ms. Cline seconded the motion, which was **approved** 5-0 with the following votes cast in favor on roll call: Mr. Elterich—yes; Ms. Cline—yes; Ms. Bailen—yes; Mr. Sturgeon—yes; Chairperson Graehling—yes.

REGULAR AGENDA:

BHP-09-17 Consideration, review and approval of a Certificate of Appropriateness submitted by Lea Cline for front door storm/screen door and repointing brick house skirting at 931 W. MacArthur Ave, Cottages style/ modified Queen Anne influence, c. 1906.

Ms. Cline left the dais at 5:05 pm. Chairperson Graehling introduced the case. Ms. Simpson provided the staff report. She explained staff is providing a positive recommendation for the petition. Ms. Simpson provided background on the property and noted its recent local historic designation. Ms. Simpson summarized staff's analysis of the petition and its alignment with the Secretary of the Interior's Standards for Rehabilitation. Ms. Simpson emphasized the petition proposes the removal of non-historic features, such as the existing door, and the replacement with more appropriate, craftsman style, pieces.

Ms. Cline summarized the petition and described the door. She explained it will mimic the front door, a wooden door with 5" wood surrounds, an 18" kick-plate and solid glass with a tiny beveled edge. Ms. Cline explained she intends to paint the door the same color as the front door.

Ms. Cline described the need for tuckpointing and stated Tony Robbins will be doing the work. She stated the beveled mortar is no longer available so the mason will have to sand the mortar to make it appear uniform.

Chairperson Graehling explained cases BHP-09-17 and BHP-10-17 are related and requested a motion for the first case. Mr. Elterich motioned to approve case BHP-09-17, a Certificate of Appropriateness for replacing the front storm/screen door and repairing/repointing the brick house skirting. Ms. Bailen seconded the motion, which was approved 4-0 with the following votes cast in favor on roll call: Mr. Elterich—yes; Ms. Bailen—yes; Mr. Sturgeon—yes; Chairperson Graehling—yes.

BHP-10-17 Consideration, review, and approval of a Funk Grant for \$1,610.71 submitted by Lea Cline for front door storm/screen door and repointing brick house skirting at 931 W. MacArthur Ave, Cottages style/ modified Queen Anne influence, c. 1906.

Mr. Elterich motioned to approve case BHP-10-17, a Funk Grant for the amount of \$1,610.71. Ms. Bailen seconded the motion, which was approved 4-0 with the following votes cast in favor on roll call: Mr. Elterich—yes; Ms. Bailen—yes; Mr. Sturgeon—yes; Chairperson Graehling—yes.

BHP-18-17 Consideration, review, and approval of a Certificate of Appropriateness submitted by Maria Novotny for scraping and painting all sides of the exterior of the home located at 903 E. Jefferson St., Jefferson Davis Historic District, Jesse B Jordan House; American Four-Square, c.1903.

Chairperson Graehing introduced the case. Ms. Simpson presented the staff report and stated staff does not support the use of powerwashing to clean the siding. She stated that staff is supportive of the Certificate of Appropriateness and Funk Grant for painting and proposes an alternative, less destructive cleaning method is used.

Chairperson Graehing stated she had used the contractor before and noted they will not use power washing if their client requests it not be used. Ms. Novotny explained her petition and stated the house needs repainted. She stated the contractor will make repairs as necessary. Chairperson Graehling asked which colors the home will be painted. Ms. Novotny stated the house will be gray with white trim and a dark gray accent.

Ms. Cline motioned to approve case BHP-18-17, a Certificate of Appropriateness for scraping and painting all sides of the exterior of the house. Mr. Sturgeon seconded the motion, which was approved 5-0 with the following votes cast in favor on roll call: Ms. Cline—yes; Mr. Sturgeon—yes; Ms. Bailen—yes; Mr. Elterich—yes; Chairperson Graehling—yes.

BHP-19-17 Consideration, review, and approval of a Funk Grant for \$5,000.00 submitted by Maria Novotny for scraping and painting all sides of the exterior of the home located at 903 E. Jefferson St., Jefferson Davis Historic District, Jesse B Jordan House; American Four-Square, c.1903.

Ms. Cline motioned to approve case BHP-18-17, a Funk Grant in the amount of \$5,000 for scraping and painting all sides of the exterior of the house. Mr. Sturgeon seconded the motion,

which was approved 5-0 with the following votes cast in favor on roll call: Ms. Cline—yes; Mr. Sturgeon—yes; Ms. Bailen—yes; Mr. Elterich—yes; Chairperson Graehling—yes.

BRKPLN-1-17 Public hearing, review, and action on the City of Bloomington’s Brick Streets Master Plan, 2009 (Continued from the July 20, 2017 meeting).

Chairperso Graehling introduced the case and explained this presentation is a continuation from the July 20, 2017 meeting. Mr. Jim Karch, Public Works Director, provided a presentation on the Brick Street Plan. He explained this process began in 2009. He stated staff is requesting that the Historic Preservation Commission approve the Master Plan tonight so the Planning Commission can review the draft and provide a recommendation to Council in October. Mr. Karch noted the plan is not comprehensive but rather a beginning. He described the goals of the plan as a first step towards maintaining and preserving the existing brick streets but pointed out areas not addressed in the plan such as historic curbs. He stated the future considerations portion of the plan highlights topics not specifically addressed at this moment and intended for review at the time the plan is updated. He described elements in previous drafts that were removed from this draft, such as funding sources and mechanisms or the brick street history.

Mr. Karch described the classifications of streets in the plan: patching, reconstructing, and preserving. Mr. Karch described the prioritization system and noted that staff feels the compromise expressed in the plan meets the multiple needs of multiple stakeholders. He described the rating system based on the PASER system rating and modified to include historic status and future historic status as well as the area of the brick repaired or replaced. Mr. Karch provided photos of streets under each category, described the rating system and highlighted conditions of the streets. Mr. Karch described the priorities and a phased approach towards implementing this plan. He explained patching is the highest priority and preventing new concrete utility patches; the plan proposes requiring contractors to salvage bricks from the right-of-way, use a gravel patch, and then the city will replace the patch with brick.

Ms. Cline asked about patching existing gravel patches and provided the example of Summit St. Mr. Karch stated the highest priority is to fix existing and new gravel patches first. He stated patching those streets first will not necessarily affect the rating of the street.

Mr. Sturgeon clarified that no Commissioners live on nor own property on the streets listed in the plan as a top priority. Mr. Sturgeon asked about uncovering new brick streets. Mr. Karch explained that page 21 of the draft addresses a pilot project on Grove St, and the plan identifies this as a future consideration. He stated the city’s Geographical Information System (GIS) has information regarding where brick streets overlaid with asphalt.

Mr. Sturgeon requested clarification on the relationship between the Brick Master Plan and the Bike Master Plan. Mr. Karch stated the community is emphasizing multimodal accommodations and the Complete Streets Ordinance previously passed by Council be modified to accommodate brick streets.

Chairperson Graehling opened the hearing to the public.

Mr. Julian Westerhout, 816 E. Monroe St, spoke in favor of the plan and stated he is pleased that this plan is happening.

Mr. Kurt Hoffman, 2000 block of E. Taylor St. spoke in favor of the plan. He stated he is exited about the plan and knows that in a few years his neighbors will be proud of their reconstructed brick street. He stated he is interested in potential historic designation for his block, the Davis Ewing Historic Block.

Mr. Brad Williams, 613 E. Grove St, stated he supports the plan but is concerned about opposition to bottom line spending. He is worried the plan may not pass because of the budget and bottom line. He encouraged the Commission to perform outreach and build support for the plan. Mr. Williams explained the benefit of long-term planning and the investing in brick streets.

Ms. Simpson asked Mr. Karch, if other ordinances are needed to preserve the streets. Mr. Karch stated that the Brick Streets Master Plan, if approved by Council, would serve as direction to provide a city code modification. Ms. Bailen asked if people who lived on Brick Streets would have input. Mr. Karch stated that the plan does not allow an option for people to have the street overlaid or remove the brick. Chairperson Graehling asked about a special service area and shared costs with residents. Mr. Karch described a special service area and stated staff removed an SSA from the plan as a potential funding mechanism. Ms. Cline stated she is opposed to including a special service area as a recommendation because some residents may not have the means to fund a special service area. She feels including it as a recommendation is unfair.

Mr. Westerhout explained the history of East Monroe Street. He stated neighbors were doubtful that the city would preserve their street because their block is not in an affluent or historic district. He believes passing and implementing the plan will restore residents' faith in the city and strengthen neighborhood pride. He stated he is pleased to see that the commission is not recommending a special service area or funding mechanism that could create a barrier for lower income neighborhoods and reduce inclusivity of brick streets.

Ms. Cline expressed the benefits of allocating more money the first few years to address the existing gravel patches. The Commission discussed the pros and cons of requesting more funding the first few years and deviating from the plan as written. Mr. Sturgeon expressed concern that a larger monetary request might increase opposition to the plan. Chairperson Graehling declared the public hearing closed and asked for a motion.

Mr. Sturgeon motioned to approve case BRKPLN-1-17, and to recommend the Planning Commission provide council with a recommendation to approve the current version of the Brick Streets Plan as presented. Mr. Elterich seconded the motion. The Commission approved the motion 5-0 with the following votes cast in favor on roll call: Mr. Sturgeon—yes; Mr. Elterich—yes; Ms. Cline—yes; Ms. Bailen—yes; Chairperson Graehling—yes.

OLD BUSINESS:

CLG Matching Grant Ms. Simpson provided a brief update and stated we will begin working with a consultant at the beginning of September.

CAMP Training Ms. Simpson explained the City of Bloomington and Town of Normal received a grant to host the Commission Assistant and Mentoring Program (CAMP) training that will be September 9, 2017 and open to the public.

NEW BUSINESS:

Mr. Sturgeon asked for clarification on members. There was brief discussion on active members and the appointment of an architect.

ADJOURNMENT:

Ms. Cline motioned to adjourn; seconded by Ms. Bailen. The meeting adjourned at 6:21 by voice vote.

Respectfully submitted,

Katie Simpson
Acting Secretary

Analysis:

Submittals

This report is based on the following documents, which are on file with the Community Development Department.

1. Application for Certificate of Appropriateness and Funk Grant
2. Proposed budget
3. Site Photos
4. Architectural Review Guidelines
5. National Parks Service Historic Preservation Brief 45 "Preserving Historic Wooden Porches", and Brief 9 "The Repair of Historic Wooden Windows".

PROJECT DESCRIPTION:

The property was built c. 1852 and is located in the Dimmitt's Grove Historic District. The property has a wooden lattice porch. The porch skirting and some floor boards are damaged, as well as the siding under the kitchen window. The petitioner is requesting a Certificate of Appropriateness and Funk Grant to cover the costs of repairing the lattice, replacing some floorboards and repairing siding.

The estimated project costs are \$3050.00 and the requested grant amount is \$1525.00. The description of work outlined in the budget explains that all repairs will be done in cedar wood or treated lumber, except the porch floor, which will be done in Douglas fir. The National Parks Service Historic Preservation Brief 45 and the Bloomington Architectural Review Guidelines state that when replacement is needed it is a good opportunity to substitute material that is more decay resistant, as long as it conveys a close visual

match. When replacing floorboards it is important to assess damage beneath the framing in order to prevent further damage or the replacement from failing.

Analysis

Action by the Historic Preservation Commission: The City of Bloomington Historic Preservation Commission shall make a determination regarding the appropriateness of the proposed work based on the architectural review guidelines and Rehabilitation Standards from the Secretary of the Interior

FINDINGS OF FACT:

For each Certificate of Appropriateness and/or Grant awarded the Historic Preservation Commission shall be guided by the following general standards in addition to any design guidelines in the ordinance designating the landmark or historic district:

1. *Every reasonable effort shall be made to provide a compatible use for a property that requires minimal alteration of the building, structure, or site and its environment, or to use a property for its originally intended purpose;* repairing of the lattice and floorboards should be done unless material cannot be repaired due to extreme deterioration. The standard is met.

2. *The distinguishing original qualities or character of a building, structure, or site and its environment shall not be destroyed. The removal or alteration of any historic material or distinctive architectural feature should be avoided when possible; care should be taken to ensure contributing architectural features, siding and trim are not damaged, removed or obscured. The standard is met.*
3. *All buildings, structures, and sites shall be recognized as products of their own times. Alterations that have no historical basis and that seek to create an earlier appearance shall be discouraged; the wood porch will maintain its original character. The petitioner is keeping with this tradition. The standard is met.*
4. *Changes that may have taken place in the course of time are evidence of the history and development of a building, structure or site and its environment. These changes may have acquired significance in their own right, and this significance shall be recognized and respected; the standard is recognized by the petitioner and met.*
5. *Distinctive stylistic features or examples of skilled craftsmanship that characterize a building, structure, or site shall be treated with sensitivity; repairing where possible should take priority. The standard is met.*
6. *Deteriorated architectural features shall be repaired rather than replaced, wherever possible. In the event replacement is necessary, the new material should match the material being replaced in composition, design, color, texture and other visual qualities. Repair or replacement of missing architectural features should be based on accurate duplication of features, substantiated by historic, physical or pictorial evidence, rather than on conjectural designs or the availability of different architectural elements from other buildings or structures; areas that can be repaired will be, and all the replacements are being done with cedar wood or treated lumber except the porch floor which will be done in Douglas fir. The standard is met.*
7. *The surface cleaning of structures shall be undertaken with the gentlest means possible. Sandblasting and other cleaning methods that will damage the historic building materials shall not be undertaken; no mention.*
8. *Every reasonable effort shall be made to protect and preserve archeological resources affected by, or adjacent to, any project; the standard is met.*
9. *Contemporary design for alteration and additions to existing properties shall not be discouraged when such alterations and additions do not destroy significant historical, architectural, or cultural material, and such design is compatible with the size, scale, color, material and character of the property, neighborhood, or environment. (Ordinance No. 2006-137, Section 44.11-5D) The standard is met.*

STAFF RECOMMENDATION:

Staff's finds that case BHP-20-17, complies with the Secretary of the Interior's Standards for Rehabilitation and the City of Bloomington Architectural Review Guidelines.

Staff recommends approval of a Certificate of Appropriateness for repairing and replacing porch skirting and floor boards, as well as the south facing kitchen window and siding of the home located at **709 E Taylor St.**, Dimmitt's Grove, Vertical Plan Construction, c. 1852, conditioned upon the Commission's satisfaction with the materials used for substitution.

Staff recommends approval of a Funk Grant for \$1525.00 for repairing and replacing porch skirting and floor boards, as well as the south facing kitchen window and siding of the home located at **709 E Taylor St.**, Dimmitt's Grove Historic District, Vertical Plank Construction, c. 1852, conditioned upon the Commission's satisfaction with the materials used for substitution.

RE: Nancy Sultan is requesting an increase of her award for the Funk Grant

Ms. Sultan is requesting an increase amount for the Funk Grant award. She originally received \$517.50. She is requesting an increase to \$607.00.

Per eligibility criteria for the Funk Grant, gutter projects would qualify if the project is a repair or replacement of historical features or part of a greater project to replace material and architectural features such as a box or yankee gutters.

Staff would support the additional cost for paint and hardener.

City of Bloomington Heritage Awards

Deadline for Submission: October 30, 2017

Application will be reviewed at the Historic Preservation Commission Meeting
on November 16, 2017

Award Categories (check those that best represent the project being nominated):

- RESTORATION** – Returning a structure or a significant part of it to the original design/condition through repair or by matching the original architectural detailing with replacement materials.
- REHABILITATION** – Renovating and/or “greening” a structure through alterations or additions that are compatible in materials, scale, and character with the original design.
- ADAPTIVE RE-USE** – Changing the use of a structure to meet contemporary needs in a manner that retains or restores its viability while respecting the original design character.
- LANDSCAPE RESTORATION** – Preserving or recreating a historic landscape plan through the use of appropriate plantings and design elements.
- LEGACY/MULTI-GENERATIONAL** – Maintaining a restored, renovated, or adapted structure that has been owned by the same family for 20 years or longer.
- INDIVIDUAL COMMITTED TO PRESERVATION** – An individual who has shown dedication to Historic Preservation in the Bloomington Community.
