Notes:

*1 Includes base pay, longevity increases, shift differentials and other pay elevations for certifications or out-of-classification work. In some cases, may also include the estimated value of the employer contribution for dependent military coverage because this is taxable to the employee.

*2 Includes employer contributions for health, dental vision, group life and accidental death and dismemberment (AD&D) insurance. Employees pay on average, 25% of their total health insurance premiums. Employees pay 50% of the premiums for dental and vision coverage. The City pays 100% of group life/AD&D insurance coverage.

*3 Includes employer contributions to the Illinois Municipal Retirement Fund (IMRF) the Fire Pension Fund, the Police Pension Fund and the Laborers International Union of North America Pension Fund (LIUNA). In 2018, the City contributed 12.74% of gross wages for IMRF participants. Fire and Police pension contributions are based on actuarial calculations. For this report the City has used the actuarially determined normal cost amount and converted that to a percentage of pensionable payroll. Based on this calculation, the City contributed roughly 13.86% of pensionable fire payroll and 11.99% of pensionable police payroll. Three bargaining units are enrolled in the LIUNA pension to which in 2018 the City contributed between \$.15/hr. and \$.36/hr. and the employees contributed between \$.22/hr. and \$.54/hr.

*4 FICA includes employer contributions to Social Security and Medicare. Sworn Fire and Police employees are exempt from Social Security so the City does not contribute for them. Some Fire and Police employees are also exempt from Medicare because they were employed by the City prior to when they were eligible for this benefit and the City does not contribute to Medicare for them.

*5 Includes retroactive pay, workers' compensation, clothing allowances, vehicle benefits, retirement health savings contributions, moving expenses, tuition, reimbursements and health club reimbursements. No full-time employees receive housing allowances, loans or bonuses. For employees who have separated from employment, this includes payout of applicable leave time.
