

2019 Construction Season Street Resurfacing Program

Street: Broadmoor Drive
Starts: Oakland Avenue
Ends: Lincoln Street

Reasons for inclusion in the Resurfacing Program:

- Poor pavement condition (Rating: 3 or 4 out of 10, depending on block)
- Multiple complaints about poor condition
- Requested by Streets and Sewers Division due to inability to keep up with repairs of high number of potholes
- While not listed as a Collector, it connects numerous local streets to the arterials Oakland and Lincoln with high traffic volumes and significant to overall traffic network
- Last paved 1996 (23 years) according to best available records
