#### **September 2019 Executive Summary**

The fiscal year 2020 budget is \$227.5M. This report provides financial activity for major operations and areas of interest. As the year progresses, commentary on revenue and expense activity will be added throughout the report on major funds with special emphasis on the General Fund. Some commentary will focus on variances from annualized trend which is 42 percent or 5/12 of the fiscal year as of September 30, 2019.

#### **General Fund**

The City's General Fund includes nearly 50 percent of the City's total financial operations or \$109.1M, and accounts for all taxes.

General Fund revenues are primarily made up by taxes which comprise 82 percent of the Revenue budget. Much of these taxes are collected by the State and are not received for several months; therefore realized revenue trends lag in those categories, as compared to the current month's annualized trend target. To account for this, the Major Tax Revenue exhibit captures the YTD budget – as related to the number of months of revenue received. Replacement Tax, which is a form of corporate income tax, is \$250K ahead of budget. This, as well as Food & Beverage being ahead of budget by \$136K, is assumed to be due to the positive economy. Local Use Tax is ahead of budget by \$79K, related to the expanded internet sales tax legislation. This is of note since the FY2020 budget was increased by \$450K over FY2019. Utility Tax is \$159K under budget – entirely due to decreases in the Telecomm portion of the tax.

The General Fund's largest expense category, Salaries and Benefits, represents 48 percent of General Fund expenditures. Salaries are basically on trend at 41%, even with \$1.25M in Vacancy Savings included in the budget for the year. Benefits is ahead of trend at 46% and is expected to remain above trend due to the City's policy change in the way Sick Leave Buy Backs are paid out at retirement. The current method is being terminated for the long-term benefit of the City but will have an FY2020 effect due to employees electing to retire prior to the termination date. Other Intergovernmental is over trend due to payments to Public Safety Pensions being tied to property tax revenues, with 97% of those already having been received.

The delay in receiving state administered revenues results in the General Fund being in a negative position during the year; relying on its fund balance to cover operations. There is a budgeted use of fund balance for the year, which means the fund was budgeted to end the year with a net loss of \$1.1M; utilizing reserves to cover it.

While reviewing City financials it is important to keep in mind that activities which are recreational, entertainment oriented, or are based on citizen or consumer behavior will not always correlate with annualized trend. Numbers are preliminary pending final audit; some may be estimated pending final posting.

#### **General Fund Capital**

Multiple capital projects were adopted in the FY2020 budget totaling \$2.5M. Street resurfacing, sidewalks, and alley projects were moved into a new fund, the Asphalt & Concrete Fund, to coincide with the Local Motor Fuel Tax increase. This new fund will provide more visibility into the City's efforts to maintain that portion of its infrastructure. Total improvements in the fund are budgeted at \$5.8M for the year. Capital equipment purchases of \$4.1M are budgeted for the City's rolling stock of vehicles and equipment. Capital Projects and Equipment purchases are just beginning to get underway. Asphalt and Concrete projects are well underway with approximately \$5.1M spent / encumbered.

#### **Enterprise Funds**

Enterprise funds are in the early stages of the fiscal year with revenues performing to budget, other than Golf, which has revenues running \$126K behind the prior year. Purchase orders (commitments) processed do not affect cash but are factored into Total YTD gain and loss below.

					FY19	YTD Budget
					\$ 1,560,918	\$ 467,292

#### **Enterprise Fund Capital**

There is a total of \$17.1M in budgeted Enterprise fund capital projects. Please see those exhibits for details on the projects related to maintaining the City's infrastructure.

While reviewing City financials it is important to keep in mind that activities which are recreational, entertainment oriented, or are based on citizen or consumer behavior will not always correlate with annualized trend. Numbers are preliminary pending final audit; some may be estimated pending final posting.

Commentary: The Arena fund shows activity for the operation of the Grossinger Motors Arena which includes two divisions, one managed by the City and one by VenuWorks, a third party manager. Tax revenue seen above is solely sales tax revenue earmarked for the bond debt service payments seen in expenditures under transfers out. Misc. revenue includes concessions, merchandise and other and is below trend for the same reason. Transfer In represents revenue received from the General Fund.

The Arena is a unique entertainment venue therefore profit and loss activity will not trend with annualization. Salary expenses includes event staff. Contractual expense includes building maintenance and repairs and talent expenses that trend with the timing of events and repairs while management fees are monthly.

Note: An increase of .25% in the Home Rule Sales Tax was approved by the City Council on February 11, 2008 to provide fund for debt service payments for the Arena with the remainder left to build City reserves and infrastructure. See details on capital projects after the VenuWorks page.
