October 2019 Executive Summary

The fiscal year 2020 budget is \$227.5M. This report provides financial activity for major operations and areas of interest. As the year progresses, commentary on revenue and expense activity will be added throughout the report on major funds with special emphasis on the General Fund. Some commentary will focus on variances from annualized trend which is 50 percent or 6/12 of the fiscal year as of October 31, 2019.

General Fund

The City's General Fund includes nearly 50 percent of the City's total financial operations or \$109.1M, and accounts for all taxes.

General Fund revenues are primarily made up by taxes which comprise 81 percent of the Revenue budget. Much of these taxes are collected by the State and are not received for several months; therefore realized revenue trends lag in those categories, as compared to the current month's annualized trend target. To account for this, the Major Tax Revenue exhibit captures the YTD budget – as related to the number of months of revenue received. Home Rule and State Sales Taxes are ahead of budget by \$94K and \$174K respectively. Replacement Tax, which is a form of corporate income tax, is \$506K ahead of budget. This, as well as Food & Beverage being ahead of budget by \$158K, is assumed to be due to the positive economy. Local Use Tax is ahead of budget by \$85K, related to the expanded internet sales tax legislation. This is of note since the FY2020 budget was increased by \$450K over FY2019. Utility Tax is \$165K under budget – entirely due to decreases in the Telecom portion of the tax.

The General Fund's largest expense category, Salaries and Benefits, represents 48 percent of General Fund expenditures. Salaries are basically on trend at 48%, even with \$1.25M in Vacancy Savings included in the budget for the year. Benefits are ahead of trend at 54% and is expected to remain above trend due to the City's policy change in the way Sick Leave Buy Backs are paid out at retirement. The current method is being terminated for the long-term benefit of the City but will have an FY2020 effect due to employees electing to retire prior to the termination date. Other Intergovernmental is over trend due to payments to Public Safety Pensions being tied to property tax revenues, with 97% of those already having been received.

The delay in receiving state administered revenues results in the General Fund being in a negative position during the year; relying on its fund balance to cover operations. There is a

While reviewing City financials it is important to keep in mind that activities which are recreational, entertainment oriented, or are based on citizen or consumer behavior will not always correlate with annualized trend. Numbers are preliminary pending final audit; some may be estimated pending final posting.

budgeted use of fund balance for the year of \$1.1M. While positive revenue trends are partially offsetting the Benefits overage, current preliminary projections point to the use of fund balance need being greater than that.

General Fund Capital

Multiple capital projects were adopted in the FY2020 budget totaling \$2.4M. Street resurfacing, sidewalks, and alley projects were moved into a new fund, the Asphalt & Concrete Fund, to coincide with the Local Motor Fuel Tax increase. This new fund will provide more visibility into the City's efforts to maintain that portion of its infrastructure. Total improvements in the fund are budgeted at \$5.8M for the year. Capital equipment purchases of \$4.1M are budgeted for the City's rolling stock of vehicles and equipment. Capital Projects and Equipment purchases are just beginning to get underway. Asphalt and Concrete projects are well underway with approximately \$5.4M spent / encumbered.

Enterprise Funds

Enterprise funds are in the early stages of the fiscal year with revenues performing to budget, other than Golf, which has revenues running \$127K behind the prior year. Purchase orders (commitments) processed do not affect cash but are factored into Total YTD gain and loss below.

Commentary:

Revenues: Major Tax revenues are trending ahead in many categories. Notable positive variances to YTD budget are Income Tax 167K, Replacement Tax (a form of corporate income tax) 506K and Food and Beverage 158K.

Investment Income is trending over budget due to increased cash reserves.

Misc Revenue includes donations, certain grants, misc Fire fees (CIRA), Police sale of Unclaimed autos etc.

Sale of Capital Assets revenue is related to equipment sold at auction.

Transfer In represent dollars charged to other Funds. The large increase over prior YTD Actual is due to the transfer of the Utility Billing - Billing Department to this fund, from the Water Fund; Enterprise Funds are then charged for this activity = dollars transfered in.

Expenditures:

Salaries expense budget includes 1.25M in vacancy savings.

Benefits is projected to come in over budget due to a policy adopted to terminate the way Sick Leave Buy Back is paid out at retirement. This policy change will result in employees advancing their retirements, affecting FY20, to the overal future benefit of the City.

Principal and Interest can vary according to the timing of debt payments.

Other Intergove Exp includes Police and Fire pension contributions which get funded as Property Taxes are received; and payments to McLean County. A variance over budget is linked to the timing of Property Tax revenues which are received early in the fiscal year.

Other Expenditures budget includes Ambulance bad debt and insurance write-offs.

Transfer Out Exp budget includes transfers to the Capital Improvement Fund of 626K and to the Asphalt and Concrete Fund of 7M.

Note: Capital projects/improvements related to the General Fund are accounted for in the Capital Improvement fund on page 8 and the Asphalt and Concrete fund on page 10. A capital equipment & vehicle status listing can be seen on page 11.

Auto Rental Tax	\$	82,000	\$	28,621	\$	32,355	\$	3,734	\$	30,782	\$ 1,573	5.11%	4

Notes for variances about or below 10% - compared to prior year.

Local Motor Fuel Tax is 106% over prior year due to the tax being double effective May 1, 2019.

Replacement Tax is 45% over prior year due to the strong economy. Local Use Tax is 17% over prior year due to the legislative expansion of the online retail sales tax.

Utility Tax is 11% under prior year due to the migration away from the use of land lines by the public.

The Capital Improvement Fund was created for the FY2020 Fiscal Year. Activity was originally captured in the Capital Improvement Fund. A new fund was created for improved transparency on revenue utilization.

The Local Motor Fuel Tax was increased from 4 cents per gallon to 8 cents per gallon as of May 1, 2019.

Commentary:

The State of Illinois doubled the Motor Fuel Tax from 19 cents to 38 cents as of July 1, 2019.

There is 1.45M included in the Intergov revenue budget related to the Fox Creek Road-Bridge project and the IL Commerce Commission's related reimburesment and 1.85M related to the Hamilton Road project. MFT funds are budgeted at 1.6M.

Design and construction of capital projects totaling \$14M was budgeted for FY 2020.

Note: Motor Fuel Tax is a state tax on purchased motor fuel in Illinois. These funds are restricted and can only be used for the construction service costs and maintenance of municipal streets, sidewalks, traffic signs, street safety or associated engineering.

See detail on capital projects on the page immediately following this statement.

Commentary:

Revenue:

Water fund savings/use of fund balance of \$8.3M was budgeted to pay for capital projects/capital expenditures. Fund savings has been accumulating for some time to provide funding for large capital projects. Since revenues in fund savings have already been collected, there is no current year activity. This will skew overall revenue trend. Water fees seen in Charges for Services are based on consumption and are above trend. Water consumption is highly dependent on weather conditions. Investment Income is above trend due to higher cash reserves.

Expenditures:

Principal and Interest expense can vary to trend due to timing of debt payments. Transfers Out relate to administrative charges from the General Fund for activities such as Finance (which includes Collections), Legal, Human Resources, Utility Billing and Collections etc.

Note: See detail on capital projects and equipment on the pages immediately following this statement.

Commentary:

Expenditures:

Salary and benefits will not always trend with annualization as laborers perform work as needed in the Sewer, Storm Water and Street Maintenance divisions. Principal and Interest expense can vary to trend due to timing of debt payments. Transfer Out represents payments for services to other funds such as the General Fund for Admin and Billing/Collection services.

Note: See detail on capital projects and equipment on the pages immediately following this statement.

Encumbrances	\$	(503,264)	
Net Activity over/(under)	\$	33,564	
	Ending Fund Balance \$	884,610	

Commentary:

Expenditures:

Salary and benefits will not always trend with annualization as laborers perform work as needed in the Storm Water, Sewer and Street Maintenance divisions. Benefits is above trend due to the Sick Leave Buy Back policy change, which prompted some early retirements. Principal and Interest expense can vary to trend due to timing of debt payments. Transfer Out represents payments for services to other funds such as the General Fund for Admin and Billing/Collection services.

Note: See detail on capital projects and equipment on the pages immediately following this statement.

Commentary:

Revenue:

The Fines and Forfeitures category are for late fees for residents who do not pay on time.

Expenditures:

Salary and benefits will not always trend with annualization as laborers perform work as needed in the Sewer, Storm Water and Street maintenance divisions. Principal and Interest expense can vary to trend due to timing of debt payments. Transfer Out represents payments for services to the General Fund for Admin and Billing/Collection services.

Note: See details on capital equipment on the page immediately following this statement.

Commentary: The Golf courses are seasonal in nature and will not always trend with annualization. Charges for Services are slightly behind YTD activity in the prior year of \$1.703M.

Note: This fund accounts for 3 City golf courses: Highland Park, Prairie Vista and the Den at Fox Creek.

	Ending Fund Balance \$	107,124	

Commentary: The Arena fund shows activity for the operation of the Grossinger Motors Arena which includes two divisions, one managed by the City and one by VenuWorks, a third party manager. Tax revenue seen above is solely Home Rule sales tax revenue earmarked for the bond debt service payments seen in expenditures under transfers out. Charges for Services Revenues are well below trend due to the Arena just beginning it's busier season. Misc. revenue includes concessions, merchandise and other and is below trend for the same reason. Transfer In represents revenue received from the General Fund.

The Arena is a unique entertainment venue therefore profit and loss activity will not trend with annualization. Salary expenses includes event staff. Contractual expense includes building maintenance and repairs and talent expenses that trend with the timing of events and repairs while management fees are monthly.

Note: An increase of .25% in the Home Rule Sales Tax was approved by the City Council on February 11, 2008 to provide fund for debt service payments for the Arena with the remainder left to build City reserves and infrastructure. See details on capital projects after the VenuWorks page.

\$

(231,889)

Current Activity - over/(under)

Note:

The YTD Revenue Budget through Oct. 2019 was 671K vs. 768K realized (net of transfers in). VenuWorks is therefore currently ahead of budget due to unexpected revenues, and reduced expenses.

Revenue and expense related to debt service, facilities maintenance and capital improvements are not included above.
