Adopt-A-Park**

STATEMENT OF COMMITMENT

The City of Bloomington Adopt-A-Park program is a partnership between the City of Bloomington and volunteers, in an effort to keep our community clean, safe, and attractive. By working together, we can continue to provide a beautiful environment in which to live and raise a family. The program also educates and encourages people to stop littering and take pride in their community.

The Adopter agrees to:

- Remove litter in their designated area at least once a month (weather providing) for two years;
- Designate a liaison to work with the program coordinator who will:
 - 1) review the safety rules with all participants;
 - 2) assure that all participants are responsible individuals and that participating minors under the age of 18 have adult supervision;
 - 3) have all the participants sign in for each clean up;
 - 4) send in a report after a clean up has occurred.
- Make the City aware of any items of concern;
- Use caution or avoid contact with items that have the potential to be hazardous or cause injury;
- General maintain the above stated area in a manner that improves the beauty and overall appearance of the City.
- In exchange for the public good will generated through participation in the City of Bloomington Adopt-A-Park program, we voluntarily waive any and all claims for injuries or damages suffered by us arising out of participation in the program and covenant not to sue the City of Bloomington, its officer, agents or employees.

In addition, the organization maintains that it complies with the City of Bloomington policies and the organization does not unlawfully discriminate against its members or in delivering its goods, services, or programs because of race, color, religion, sex, marital status, national origin or ancestry, disability, or matriculation.

The City agrees to:

- Furnish supplies such as trash bags and reflective vests, at the request of the adopter;
- Provide trash pickup if necessary;
- Furnish and install Adopt-A-Park signs with the Adopter's name on each sign, after the Adopter has successfully participated for six months;
- Provide safety rules for participants to follow;
- Furnish certificates of recognition to Adopter.
