| Field Name                 | Response  | Instructions   |
|----------------------------|---|--|
| <b>Project Name</b>        | Hamilton Road East-West Connection Project  | Enter a <b>concise</b> descriptive <b>title</b> for the project. This should be the same title used in the Grants.gov SF-424 submission and the application narrative.   |
| <b>Project Description</b> | The Hamilton Connection Project represents the final connection of a 7.2-mil east-west transportation improvement along the south portion of Bloomington, on Hamilton Road and a merging west-side street called Fox Creek Road. This final Hamilton Connection comprises of 3,000 linear feet of new roadway, from Bunn Street to Commerce Parkway, plus widening of Hamilton from Commerce to Morrisey Drive along approximately 1,000 linear feet of Hamilton Road east of the new street section. | Describe the project in plain English terms generally understood by the public, using <b>no more than 100 words</b> . For example, "The project will replace the existing bridge over the W river on Interstate-X between the cities of Y and Z" or "the BUILD Grant will fund construction activities for streetcar service from location X to location Y." Please <b>do not</b> describe the project's benefits, background, or alignment with the selection criteria in this description field. |
| <b>Urban/Rural</b>         | Rural   | Identify whether the project is <b>located in a rural or urban area</b> , using the drop-down menu. For BUILD 2020, a project is designated as urban if it is located within (or on the boundary of) a Census-designated urbanized area that had a population greater than 200,000 in the 2010 Census. All other projects will be designated as rural.   |
| <b>Urbanized Area</b>      | Bloomington--Normal, IL   | If you have identified the project as "urban," please select the <b>associated 2010 Census-designated urbanized area (UA)</b> from the drop-down. If you identified the project as "rural" but it is located in an UA with a population under 200,000, please select the UA from the drop-down. If you have identified the project as "rural" and it is not located in a non-urbanized area, please select "Not located in an urbanized area" from the drop-down.                                  |
| <b>Capital or Planning</b> | Capital   | Identify the project as <b>capital</b> or <b>planning</b> .<br><br>The " <b>capital</b> " designation should be used for projects that are requesting funding primarily for the physical development, acquisition, or improvement of surface transportation capital infrastructure.<br><br>The " <b>planning</b> " designation should be used for projects that are requesting funding primarily for aspects of planning, preparation, or design.  |
| <b>Project Type</b>        | Road - New Capacity   | Identify the <b>Primary</b> and <b>Secondary project type</b> combination that <b>most closely aligns with your project</b> from the choices in the drop-down menu. See the "Project Types" tab in this file for further information and project type definitions.   |

| Field Name                                  | Response          | Instructions  |
|---|-------------------|---|
| Primary Project Location Zip Code           | 61704             | Identify the <b>5-digit zip code of the project location</b> . If the project is located in multiple zip codes, please identify the most centrally located zip code.  |
| Project Previously Submitted?               | Yes - BUILD/TIGER | Identify whether the project was <b>submitted in a prior BUILD/TIGER or INFRA round</b> , using the drop-down menu.   |
| Prior BUILD/TIGER Funds Awarded to Project? | No                | Identify <b>whether the project has previously received BUILD/TIGER funding</b> , and if so, whether that funding was through a planning or capital grant, using the drop-down menu.  |
| FY20 INFRA or PIDP Applications?            | No                | Identify whether this project is <b>also being submitted to the Nationally Significant Freight and Highway Projects Program</b> (also known as INFRA) or the <b>Port Infrastructure Development Program</b> (also known as PIDP) for Fiscal Year 2020.  |
| Amount Requested                            | \$5,425,000       | Enter the <b>total amount of BUILD funds requested</b> for this project in this application. [For <b>capital projects</b> , the minimum urban entry is \$5,000,000 and the minimum rural entry is \$1,000,000. For <b>planning projects</b> , the minimum entry is \$1. The maximum entry for both types is \$25,000,000 ].   |
| Total Project Cost                          | \$7,750,000       | Enter the <b>total cost of the project</b> . This should equal the sum of Total Federal Funding and Total Non-Federal Funding. <i>This value may not be less than the amount requested.</i>   |
| Total Federal Funding                       | \$5,425,000       | Enter the <b>amount of funds committed to the project from ALL Federal sources including the proposed BUILD amount</b> .<br><br>For <b>BUILD projects designated as urban</b> , Federal funding cannot exceed 80% of total project cost.  |
| Total Non-Federal Funding                   | \$2,325,000       | Enter the <b>amount of funds committed to the project from non-Federal sources</b> . For <b>BUILD projects designated as urban</b> , the total non-Federal funding amount must be greater than or equal to 20% of the project cost.   |
| Tribal Government?                          | No                | Select "Yes" from the drop-down menu if the applicant is a <b>Federally recognized tribal government</b> .  |
| Tribal Benefits?                            | N/A               | <b>If the applicant is not a Federally recognized tribal government</b> , is the project located on tribal land? And if not, does it have direct tribal benefits? Answer using the drop-down menu.  |
| Private Corporation Involvement             | No                | Does this project <b>involve (a) private entity(ies) that will receive a direct and predictable financial benefit</b> if the project is selected for award? This includes, but it not limited to, private owners of infrastructure facilities being improved and private freight shippers or carriers directly benefitting from completion of the proposed project. |
