

Wylie Dr at Maple Hill Rd

Intersection Improvement

Total Project Cost: \$701,250 | Grants Management Program Site Improvements Request: \$200,000 | Local Match: \$501,250

Project Overview

- New concrete pavement at the intersection of Wylie Drive and Maple Hill Road extending:
 - 35 feet to the east of the intersection on Maple Hill Rd
 - 70 feet south (to the raised median) on Wylie Dr
 - 130 feet north (to just south of the northern Steak 'n Shake restaurant driveway) on Wylie Dr
- Right turn lane on Maple Hill Road to improve intersection functionality
- New sidewalk ramps at the northwest, northeast, and southeast corners of the intersection
- New sidewalk extending 800 feet east, from Wylie Dr to Reeveston Dr (at the Traditions Bloomington apartment complex), on the north side of Maple Hill Road
- New sidewalk extending 290 feet east, from Wylie Drive to the northwest corner of 907 Maple Hill Road (at Aldi grocery store currently under development), on the south side of Maple Hill Road
- New sidewalk on the east side of Wylie Drive, extending 350 feet south, from Maple Hill Road to north of Market Street (US 150/IL 9) (south of the Bob Evans restaurant entrance)

Project Benefits

- Improve the public infrastructure around 15 current retail businesses, helping to retain and grow jobs, retail sales tax revenues, and local property tax revenues
- Provide better public infrastructure for affordable housing residents to access the future Aldi store as well as adjacent restaurants and employment opportunities
- Enhance pedestrian, bus, and vehicle access to the future Aldi store
