Total Dollars for Vendors Receiving Under \$2,500	\$	1,164,472.29

Combined Total \$ 138,684,392.15

Note: Vendor payments are payments made for operating costs, which include bond and capital lease payments, remittance of employee withholdings such as taxes, both employee and employer contributions for pensions and other benefits, remittances of revenues collected on behalf of other governments such as Town of Normal and Bloomington and Normal Water Reclamation District, remittance of ticket revenue for certain performances at the Bloomington Center for Performing Arts, employee travel expenses and reimbursements, and contractual payments under intergovernmental agreements. Also, included are payments to vendors for work related to capital projects or use of grant funds.

The below payroll data will not agree to the amounts included in the 2017 Compensation Report published on the City's website. The reports cover different time periods and total benefits costs are reported differently between the two reports.
