### Commentary:

### Revenues:

Most taxes are received in arrears. Over half of the tax revenue reflected is for Property Tax.

Liquor License revenues post in December.

Misc Revenue includes donations, certain grants, misc Fire fees (CIRA), Police sale of Unclaimed autos etc. The budget also includes a placeholder for Fee increases that will post to other categories.

Sale of Capital Assets revenue is related to equipment sold at auction.

Transfer In represent dollars charged to other Funds.

Expenditures:

 $\label{principal} \mbox{Principal and Interest can vary according to the timing of debt payments.}$ 

Other Intergove Exp includes Police and Fire pension contributions which get funded as Property Taxes are received; and payments to McLean County. A variance over budget is linked to the extra Home Rule Sales Tax revenue expected - and the related portional commitment to McLean County.

Note: Capital projects/improvements related to the General Fund are accounted for in the Capital Improvement fund and can be seen on page 6. A capital equipment & vehicle status listing can be seen on page 9.

### Commentary

Note: Motor Fuel Tax is a state tax on purchased motor fuel in Illinois. These funds are restricted and can only be used for the construction service costs and maintenance of municipal streets, sidewalks, traffic signs, street safety or associated engine ering.

See detail on capital projects on the page immediately following this statement.

### Commentary:

### Revenue:

Water fees seen in Charges for Services are based on consumption. Water consumption is highly dependent on weather conditions. The Investment Income budget, for interest income, is a pending post adoption adjustment to Use of Fund Balance. Transfers In represent water billing/charges to other City Enterprise funds: Sewer, Storm Water and Solid Waste.

## Expenditures:

Principal and Interest expense can vary to trend due to timing of debt payments. Transfers Out relate to administrative charges from the General Fund for activities such as Finance (which includes Collections), Legal, Human Resources etc.

Note: See detail on capital projects and equipment on the pages immediately following this statement.

Commentary:

Revenue:

## Expenditures:

Salary and benefits will not always trend with annualization as laborers perform work as needed in the Sewer, Storm Water and Street maintenance divisions. Principal and Interest expense can vary to trend due to timing of debt payments. Transfer Out represents payments for services to other funds such as Water and the General Fund for Admin and Billing services.

Note: See detail on capital projects and equipment on the pages immediately following this statement.

## Commentary:

### Revenue:

Solid Waste Services revenue includes a budgeted fee increase. The Fines and Forfeitures category are for late fees for residents who do not pay on time.

### Expenditures:

Salary and benefits will not always trend with annualization as laborers perform work as needed in the Sewer, Storm Water and Street maintenance divisions. Principal and Interest expense can vary to trend due to timing of debt payments. Transfer Out represents payments for services to the General Fund for Admin and Billing services.

Note: See details on capital equipment on the page immediately following this statement.

Commentary: The Arena fund shows activity for the operation of the Grossinger Motors Arena which includes two divisions, one managed by the City and one by VenuWorks, a third party manager. Tax revenue seen above is solely sales tax revenue earmarked for the bond debt service payments seen in expenditures under transfers out. Misc. revenue includes concessions, merchandise and other and is below trend for the same reason. Transfer In represents revenue received from the General Fund.

The Arena is a unique entertainment venue therefore profit and loss activity will not trend with annualization. Salary expenses includes event staff. Contractual expense includes building maintenance and repairs and talent expenses that trend with the timing of events and repairs while management fees are monthly.

Note: An increase of .25% in the Home Rule Sales Tax was approved by the City Council on February 11, 2008 to provide fund for debt service payments for the Arena with the remainder left to build City reserves and infrastructure. See details on capital projects after the VenuWorks page.
