# CITY OF *Bloomington* ILLINOIS

Are you able to provide insight on why the requests from the HRC to add statements of solidarity to the HRC's website have not been approved?

After nearly 2.5 years as Deputy City Manager for Bloomington, what areas do you believe you have been most effective in serving as a difference maker to effect positive change?

Posting the City Manager's monthly report on the COB was discontinued in early 2019. Is that information stored in another location on the website or included another report?

The strategic plan for the COB spans from 2010 – 2025. What's your or the Administrative staff's barometer for the City's current state compared to the vision in the plan?

Are the roles in most department more diverse and inclusive compared to 2 years ago? If yes, what caused the shift and what steps are in play to ensure that continues to exist? What is being done to increase D&I in the departments where data shows it is needed?

Is there information or feedback from the community that would be of interest to you or the City?

Commissioner Ajayi asked DCM Tyus about his knowledge of the police chief candidate from Springfield, IL and the negative reports in the news concerning this candidate. DCM Tyus stated that he was aware of some news reports.

Commissioner Ajayi asked DCM Tyus if he was aware of this particular candidate's alleged role in community racial tension? DCM Tyus stated that he was not aware of this.

DCM Tyus invited commission members to attend the police chief finalist meet and greet on Monday, August 16<sup>th</sup> at 4pm at the Government Center; 4<sup>th</sup> floor. He also informed the commission that there were 24 candidates and now the City has two finalists.
