

CELEBRATING THE 10TH ANNIVERSARY OF WELCOMING WEEK

Welcoming Week, launched in 2012 by Welcoming America and its members, is an annual campaign to showcase the movement. Welcoming Week provides the opportunity to proclaim welcoming values through events and local initiatives that foster mutual understanding between immigrants and non-immigrants, as well as deeper belonging for all.

Join us in Welcoming Week 2022 to celebrate the values that unite us and to make our community more welcoming to everyone who calls Bloomington home, including immigrants and newcomers.

ABOUT WELCOMING AMERICA

A growing number of places recognize that being welcoming leads to prosperity. Welcoming America provides the roadmap and support they need to become more inclusive toward residents. A non-profit launched in 2009, Welcoming America has spurred a growing movement across the U.S., with one in eight Americans living in a Welcoming Community.
