

Vernon Closure

- Notes:
- 1) This plan in effect during the open excavation of Vernon Ave.
 - 2) See Detour plan for detour signage and barricade and warning signs located further away from the closure.
 - 3) Upon completion of the repair and backfilling of the hole, Vernon shall be opened to 1 lane of traffic in each direction until such time pavement patching has been completed and cured. Traffic control for this shall be according to Standard 701611-01 (attached).
