Commentary: The Arena fund shows activity for the operation of the Grossinger Motors Arena which includes two divisions, one managed by the City and one by VenuWorks, a third party manager. Tax revenue seen above is solely sales tax revenue earmarked for the bond debt service payments seen in expenditures under transfers out. Transfer In represents revenue received from the General Fund.

The Arena is a unique entertainment venue therefore profit and loss activity will not trend with annualization. Salary expenses includes event staff. Contractual expense includes building maintenance and repairs and talent expenses that trend with the timing of events and repairs while management fees are monthly.

Note: An increase of .25% in the Home Rule Sales Tax was approved by the City Council on February 11, 2008 to provide fund for debt service payments for the Arena with the remainder left to build City reserves and infrastructure.
