

## **NOTICE of PUBLIC HEARING**

### **Preliminary Environmental Impacts Determination (PEID)**

Notice is hereby given to all residents, property owners, and water system users of the City of Bloomington, Illinois that a Public Hearing will be held on the third floor of the Government Center on March 18th, 2024 at 5:00 pm. Please use the Front Street entrance and elevator to access the meeting location on the third floor.

Under project's L176805 and L176806 the City proposes the installation of approximately 2,100 feet of new water mains for each project. This Public Notice is to provide an opportunity for the public to provide comments on the City's proposed construction. The Project Summary and Preliminary Environmental Impacts Determination document provided by the Illinois Environmental Protection Agency (Illinois EPA) are available for review at the Clerk's office in the Government Center, 115 E. Washington Street – Bloomington, IL 61701. The document are also available on the City website at <https://www.bloomingtonil.gov/departments/public-works/project-updates/locust-colton-cso-elimination>. The document contains information including the location, user rate impacts, and potential environmental impacts. The estimated cost for the L176805 project is \$5,585,000 and \$3,094,000 for the L176806 project.

This Notice is to provide access to the document and to satisfy Section 662.530 of the Illinois Procedures for Issuing Loans from the Public Water Supply Program from the Illinois EPA. The document will be on file at City Hall for 10 days after the Public Hearing to allow for public comment. Written comments can be submitted to the City at [engineer@cityblm.org](mailto:engineer@cityblm.org) or directly to Mr. Bill Jankousky at the Illinois EPA, Infrastructure Financial Assistance Section, P.O. Box 19276, Springfield, Illinois 62794-9276.
