Total Vendors Under \$2,500	\$	962,727.99

Note: In addition to typical vendor payments for operating costs, amounts include bond and capital lease payments, investment purchases, payments of employee withholdings such as taxes, both employee and employer contributions for pensions and other benefits, remittances of revenues collected on behalf of other governments such as Town of Normal and Bloomington and Normal Water Reclamation District, remittance of ticket revenue for certain performances at the Bloomington Center for Performing Arts, employee travel reimbursements, and payments under intergovernmental agreements.

The below payroll data will not agree to the amounts included in the 2012 Compensation Report published on the City's website. The reports cover different time periods and total benefits costs are reported differently between the two reports.
