Mr. Hales stated that the Human Resource Department has been working aggressively to secure a renewal of our individual health plan and stop loss coverage. New this year, the City has the opportunity to achieve some stop loss coverage for the prescription drug plan. The City has the potential through High Mark Insurance to not only save \$21,000 in the premium for the

medical, but also for the first time to have stop loss coverage for prescription drugs. For a \$21,000 savings the City would add, a deductible limit of \$155,000 for prescription drugs, and would have reinsurance for any amount above. However, the City has been running out of time, due to that the City would like to have the Council consider an alternative motion for this item. Mr. Hales read the recommended motion into the record.

Motion by Alderman Fruin, seconded by Alderman Lower that the City Manager be authorized to enter into a contract for 2016 individual stop loss coverage on the City's employee PPO health and prescription drug plan with High Mark Insurance, contingent upon approval of the contractual language as determined by the Corporation Counsel, or in the alternative with Blue Cross Blue Shield for stop loss coverage on the City's employee PPO health plan only if the contractual language with High Mark Insurance is not deemed to be in the City's best interest by the Corporation Counsel.

ORDINANCE NO. 2015-89
AN ORDINANCE PROHIBITING THE USE OF GROUNDWATER AS
POTABLE WATER SUPPLY BY THE INSTALLATION OR USE OF POTABLE
WATER SUPPLY WELLS OR BY ANY OTHER METHOD

Alderman Buragas stated this item deals with an environmental contamination that has occurred in Ward 4. She had been surprised to see this item come forward as there was no prior notice from the City staff regarding this item previously. She expressed concerned that there are a large number of questions that have not been addressed within the scope of the background. There is not sufficient information to make a sound decision on this item tonight. Since this involves public safety, due to contaminated groundwater in a residential area and Sugar Creek, she would prefer that this item be delayed and brought back to and fully brief the Council as to the nature and history of the contamination.

Motion by Alderman Buragas, seconded by Alderman Painter to delay this item to a future date to allow staff to provide Council with historical information, options and action plan for moving forward.

Mayor Renner directed the Clerk to call the roll which resulted in the following:

Ms. Silva provided a brief overview of this item and stated that this is standard formality, whereby the Council decides the amount of tax levy, the City will then need to abate the debt service down to that level. If the City does not approve the resolutions, the tax levy increase by that amount.

Motion by Alderman Schmidt seconded by Alderman Mwilambwe that the Resolutions for the abatement of a total \$6,933.026.29 of property taxes for the 2015 tax levy for debt service and rent payments be adopted, and authorize the Mayor and City Clerk to execute the necessary documents.

The following was presented:

Item 8B. Consideration of adoption of an ordinance for Case SP-05-15 Petition requesting approval of a Special Use Permit to allow the operation of an antique store for the property located at 403-405 E. Locust Street. *(Recommend that an Ordinance be adopted for Case SP-05-15 for the Special Use Permit for an antique store at 403-405 E. Locust Street, and authorize the Mayor and City Clerk to execute the necessary documents.)*

ORDINANCE NO. 2015-90
AN ORDINANCE APPROVING A SPECIAL USE PERMIT FOR A
Antique Store

FOR PROPERTY LOCATED AT: 405 E. Locust Street

Mr. Dabareiner, this is a straight-forward case, that typically an antique store would not be allowed in a residential district. It follows a series of non-conforming uses. Under the Zoning Ordinance, you can follow a non-conforming use with another non-conforming use with a special use.

This case was before the Zoning Board of Appeals for a public hearing and review on November 18, 2015. No citizens, outside of the applicant, spoke in favor; one citizen expressed concern over the impact of a retail use in a residential area but seemed satisfied with a limitation on hours. The Board recommended approval by unanimous vote with the condition that business hours be restricted to not exceed 8:00AM to 6:00PM, Monday through Friday, and 10:00AM to 5:00PM on Saturday and Sunday. This recommendation is largely consistent with staff's position.

Alderman Lower stated, it is his understanding that there are apartment units located within that building where residents are currently residing. Mr. Dabareiner stated that there are two apartments on the upper floor of this building.

Motion by Alderman Black, seconded by Alderman Buragas that an Ordinance be adopted for Case SP-05-15 for the Special Use Permit for an antique store at 403-405 E. Locust Street, and authorize the Mayor and City Clerk to execute the necessary documents.

Mayor Renner directed the Clerk to call the roll which resulted in the following:

Ayes: Aldermen Lower, Hauman, Sage, Black, Buragas, Painter, Mwilambwe, Fruin and Schmidt.

Nays: None.

Motion carried.
